NEW YEAR, NEW COMICS!

It's a new year, Baby! New Year is here, and Boom KIDS wants to make sure that awesome February comics are read!

Launching this month, BOOM! is bringing you two exciting new series. Starting out with **MICKEY MOUSE AND FRIENDS: WIZARDS OF MICKEY** #1 picks up the story where Mickey and his friends seek to defeat Phantom Blot in the Grand Magic Tournament! Swords, sorcery and dragons abound!

Then, the best of WALT DISNEY'S COMICS AND STORIES comes DISNEY'S HERO SQUAD: **ULTRAHEROES** #1, as Mickey, Buzz Lightyear, and their heroic heroes attempt to stop Evil Eye and his henchmen from destroying all of the magical and magical powers of the world!

With **ULTRAHEROES** getting its own title, that means a whole new story is coming to the pages of WALT DISNEY'S COMICS, and that story is **MICKEY MOUSE AND THE WORLD TO COME**!

Originally published in Italy, and never before seen in the United States, **MICKEY MOUSE AND THE WORLD TO COME** will run through WALT DISNEY COMICS issues #703-706. This one has everything: flying machines, magical powers, the Law of Gravity with his old foe The Rhyming Man, and best of all, beautiful new wrap-around covers by master comic artist Tony Castellan!

In the months to come we'll be introducing you to exciting new series, including WALT DISNEY PIXAR and BOOM! so continue to watch this space! In the meantime, we'll be giving you more great comic books. Afternoon!

The best is yet to come!

BOOM!

Q & A WITH ARTIST OF THE MONTH - NATHAN WATSON

How did you get hooked up with BOOM?

I met Ross Richie at Emerald City Comic con in 2004. He dropped some samples and a couple Benjamin's. A year or so later I got an email from Matt Gagnon and here we are.

You're currently the artist on the new TOY STORY ongoing series. Who's your favorite character to draw and why?

Buzz Lightyear. He appears in this arc so much that if he wasn't my favorite, I'd need to be institutionalized. I had a Buzz really nice of fun to draw!

The Incredibles. It's one of my top favorite films. I love the story and the characters. And if the story was Dash-centered, well... you'd have to shoot me down off my joy cloud.

What Disney/Pixar character do you most identify with?

"Dory" from Finding Nemo. Ask any one who's ever talked to me for longer than five minutes...

Nathan Watson

You're dying to work on...
